

# Activities galore on sports day

ESHA SHAH, CLASS IX

It was bright sunny Monday in contrast to the normal Monday blues. The Priyadarshani Park was filled with athletes from Aditya Birla World Academy. Parents and teachers cheered for the enthusiastic children. The entire park where the sports day was hosted looked vibrant and full of energy. There were events for all age groups categorised as under -12, under -14, under- 16 and above 16. Running races, Tug of war, relay and jumps made up the major event cate-

gories. The day began with a march past which was precisely synchronised to the beat of the drum. Soon after the march past the running races began. House members and captains painted their faces with the colour representing their houses spirit. The two main events that enhanced team and house spirit were the relays and tug of war. The tug of war was the show of the day, amidst the shouting and cheering all the four houses put up their best efforts. Sports day was an extremely zealous and merely colourful event.
